

# WORLD ENVIRONMENT DAY 2018

L-R Gaurav Grover, Dia Mirza, Udit Raj and Palka Grover

India is the global host of 2018 World Environment Day which took place on Tuesday. With "Beat Plastic Pollution" as the theme for this year's edition, the world is came together to combat single-use plastic pollution. World Environment Day is a UN Environment-led global event, the single largest celebration of our environment each year. The Asia Book of Records made for world environment day.
